Partners with L&D to support Workforce Enhancement

Supports Management with Strategic Workforce Planning

WorkForce360 Solutions

ANALYTICS:
Drive talent development through data analytics using visual interactive dashboards that provide actionable insights into your workforce's performance and potential.

SUCCESSION PLANNING:
Promote fair and unbiased performance assessment utilizing evaluations on concrete, objective criteria.

24/7 ACCESS ON ANY DEVICE:
Empower your employees with unrestricted access to learning materials via mobile phones, tablets, and computers enabling them to learn at their own pace, and convenience.

COST-EFFECTIVE:
Eliminate the complexity and expense of building, implementing and maintaining a traditional LMS.

COMPLIANT:
Certify and monitor training to ensure compliance and documentation are current and readily available, reducing compliance risks and easing the burden of regulatory requirements.

UNIQUE LEARNING TRACKS:
Engage employees with personalized learning journeys which align skills and competencies with their career pathways.
